Attorney for Defendant,
AURORA CUARA

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

AURORA CUARA

Defendant.

Case No.: 1:18-CR-00104-ADA-BAM
Related Case: 1:22-MC-00124-SAB

EMERGENCY APPLICATION FOR
ORDER SHORTENING TIME:
ORDER

Judge: Hon. Dale A. Drozd

Defendant Aurora Cuara applies for an order shortening time for the setting of her motion for miscellaneous relief. [Dkt. #53]. While the general criminal motions calendar filing deadlines are outlined in Local Rule 430.1, the defense believes the government's actions in this case warrant a shortening of the applicable time periods – namely, after setting a restitution plan for Ms. Cuara and thereby limiting the amount due and payable each month, the government filed an application for writ of continuing garnishment, and obtained the writ, an end-run around the Court's restitution order.

Ms. Cuara is recently released from imprisonment, has no employment, is on home confinement, and has two young twin daughters (age 9) that she is raising. Because of the writ, Ms. Cuara will have no source of income and will not be able to meet her financial obligations, running the risk of falling behind on her mortgage payments and not being able to pay for basic living necessities. Urgent action is needed from the Court as soon as possible.

1 The defense requests any government response be due by 12:00 pm (noon) on September
2 19, 2022, and that this matter be heard on September 20, 2022, at 9:00 am.
